Friends of the Family

Fall, 2011

Our Friends acknowledge the elephant in the room.

Our Friends know that there are individuals and families, just like them, living in our community, who experience great difficulties. They know that JFS does what we, as individuals, would not be able to accomplish alone.

Our Friends know that JFS provides:

- counseling for individuals, couples, and families experiencing emotional distress.
- emergency financial assistance to those struggling because of unforeseen illness, sudden unemployment or near poverty conditions.
- assessments, case management and in-home services for older adults.
- play therapy, early childhood interventions, social skills groups and school-based services to advance the well being of children and adolescents.

Our Friends share a deep concern for others – their friends, neighbors, relatives and those they may never know. Our Friends know that JFS is MetroWest’s Center for Caring – the place every member of the community can count on for confidential, swift, and extraordinary assistance.

Your support will allow us to help people who never thought they would need our help. Please join us this year and consider a gift to the 2011 JFS Friends of the Family campaign.

As a Friend of the JFS Family, you make a positive difference in the lives of people who have nowhere else to turn. Thank you, in advance, for your partnership with JFS in providing needed services and keeping our community strong.

With heartfelt appreciation,

Elizabeth Cohen
